

# Four-Outlet Power Strip with USB Charging Ports

This power strip features four Schuko sockets for standard European plugs. It also includes multiple USB charging ports, making it ideal for powering several devices simultaneously.

## Product Overview

### Efficiency and Connectivity

This versatile four-outlet power strip is designed to consolidate your power needs while providing dedicated charging ports for mobile devices. With a high rated wattage capacity, it safely handles heavy-duty loads while maintaining a compact footprint. Its professional-grade design makes it an ideal choice for both home and office environments requiring reliable, multi-device power management.

## Electrical Specifications

### Rated Wattage

**3680 W**

Rated Wattage
