

Four-Stroke Internal Combustion Engine

This is a four-stroke internal combustion engine. It includes a carburetor, starter motor, and various hoses and cables.

Overview

High-Performance Four-Stroke Engine

This four-stroke internal combustion engine is engineered for reliable power delivery and efficient operation. Featuring a robust design with integrated components such as a carburetor and starter motor, it is built to meet the demanding requirements of automotive applications. Its structured architecture ensures consistent performance and durability for professional use.

Technical Specifications

Included Components

- Carburetor
- Starter Motor
- Hoses
- Cables

Engine Cycle	4-Stroke
Finish	Silver

Key Features

Engine Type

Internal Combustion • 4-Stroke
