

Four-Way Metal Tap Adapter

This four-way metal tap adapter allows users to manage multiple water outlets from a single tap. It features four independently controlled outlets for simultaneous connection and operation of watering devices.

Overview

Deluxe 4-Way Water Management

The Deluxe 4-Way Metal Tap Adapter is a durable and efficient solution for managing multiple water outlets from a single tap. Constructed from high-quality metal, it ensures long-lasting performance and resistance to corrosion in demanding outdoor environments. This adaptor features four independently controlled outlets, allowing for the simultaneous operation of various devices such as hoses, sprinklers, and irrigation systems.
