

Freestanding Dishwasher with 12 Place Settings

This freestanding dishwasher features a stainless steel interior and offers 12 place settings. It has electronic controls with an LED indicator and includes six programs such as Intensive, Normal, and Eco.

Overview

Efficient Cleaning Performance

This freestanding dishwasher is designed to streamline kitchen tasks with 12 place settings and a durable stainless steel interior. It features a versatile electronic control system with an LED indicator, offering six distinct wash programs ranging from Intensive to Rapid cycles. With thoughtful additions like an adjustable upper basket, water overflow protection, and a convenient delay start function, it provides both reliability and ease of use for any busy environment.
