

# Freestanding Electric Fireplace with Flame Effect and Mantel

This freestanding electric fireplace features a realistic flame effect and a classic white mantel. It provides supplemental heat for indoor spaces and creates a cozy ambiance.

## ADDITIONAL IMAGES

## Product Overview

### Elegant Freestanding Electric Fireplace

This freestanding electric fireplace combines aesthetic appeal with functional heating, making it an ideal choice for indoor spaces. Crafted from a combination of solid wood, MDF, and intricate resin carvings, it features a high-quality finish with 6-8 layers of environmentally friendly paint. The unit is designed for versatility, allowing it to function as both a heater and a decorative piece, with the option to use it with a furnace core or wood decor.
