

Freestanding Wine Cooler with Temperature Control

This freestanding wine cooler is equipped with multiple storage racks. It features temperature control and a glass door, designed for optimal wine preservation and serving.

Overview

Sophisticated Wine Storage Solution

This freestanding wine cooler provides a sleek and professional environment for up to 87 standard 750mL bottles. Featuring a single-zone climate system with a circulating fan, it ensures consistent no-frost cooling to protect your collection. Its contemporary design includes 11 pull-out shelves and a durable, dual-paned glass door to beautifully display your wine inventory.
