Product Overview

Advanced Front-Loading Laundry Solution

This high-efficiency front-loading washing machine is engineered for modern residential needs, featuring a durable honeycomb crystal drum and a powerful BLDC smart inverter motor for quiet, reliable performance. It offers advanced hygiene solutions, including both key thermal and blue light sterilization, ensuring deep cleaning for every load. With smart features like power memory, unbalance protection, and an 'add garment' function, this appliance combines convenience with superior washing technology.

Performance & Capacity

Max Spin Speeds

- 1000 rpm
- 1200 rpm
- 1400 rpm

Available Capacities

6kg, 7kg, 8.5kg

Wash Programs

12 programs

Technology & Features

Front load washing machine
02 Series

Feature:
BLDC smart inverter motor
Touch LED display
Memory of power
Key thermal sterilization
Overheating control
Smart unbalance protection
Add garment
Blue light sterilization
Honeycomb crystal drum
Child lock

Specification:
Max spin speed(rpm)1000/1200/1400
Number of knob programs 12
Display type: touch LED display
Size: 595*570*850
Capacity: 6kg/7kg/8.5kg
Loading(40Hz): 244/223/171
