

Full Motion TV Wall Mount for 23- to 42-inch TVs

This full-motion TV wall mount is designed for 23- to 42-inch LED/LCD TVs. It is constructed with high gauge cold rolled steel and supports VESA patterns up to 400x400mm with a maximum loading capacity of 40kg.

Product Overview

Professional Full-Motion Mounting Solution

This full-motion TV wall mount is engineered for 23- to 42-inch LED and LCD displays, offering a robust and flexible mounting solution for home and commercial environments. Constructed from high-gauge cold-rolled steel with aluminum arms, it ensures durability and stability for screens weighing up to 40 kg. The design provides extensive viewing flexibility with tilt, swivel, and leveling adjustments to achieve the perfect angle.
