

# Full Motion TV Wall Mount for 32-55 inch Screens

This full motion TV wall mount is designed for 32-55 inch screens. It features easy tilt adjustments and swivels up to 180 degrees for optimal viewing.

## Product Overview

### Versatile Full-Motion Viewing

This full-motion wall mount is engineered for flexibility, supporting TVs ranging from 32 to 55 inches with a maximum weight capacity of 30kg. Its multi-pivot design allows for smooth tilting and wide-angle swiveling, ensuring an optimal viewing experience from any position in the room. The slim-profile arm extends up to 420mm, providing easy access to rear-mounted cables and components while maintaining a clean aesthetic when retracted.

## Technical Specifications

Weight Capacity	30 kg
