

Full Suspension Youth Mountain Bicycle

This full-suspension bicycle is designed for youth riders seeking off-road adventures. It features a durable frame, knobby tires, and V-brakes.

Product Overview

Built for Young Trail Riders

This full-suspension youth mountain bicycle is engineered to provide a comfortable and controlled off-road experience for younger riders. Featuring a durable frame with integrated front and rear suspension systems, it effectively absorbs trail impacts while maintaining traction. With its specialized geometry and reliable braking components, this bike is a robust choice for youth riders exploring mountain biking.
