Product Overview

Professional-Grade Brush Cutter

This gasoline-powered brush cutter is a versatile gardening tool engineered for clearing thick grass, weeds, and dense brush. Designed for both residential and commercial applications, it combines a robust engine with an ergonomic design to ensure efficient cutting performance and operator comfort. Safety is prioritized through integrated features like a blade guard and throttle lock, making it a reliable solution for professional landscaping and maintenance.

Technical Specifications

Model Identifier	336ES
Engine Type	Gasoline Powered

Key Features

Ergonomic Design

- Adjustable harness for weight distribution
- Ergonomic handle design
- Adjustable controls
- Reduced operator fatigue

Safety Features

Blade Guard, Throttle Lock, Anti-Vibration System

Applications

Best For

Thick Grass • Weeds • Dense Brush • Edge Trimming
