

Gasoline Powered Chain Saw

This gasoline-powered chain saw is designed for cutting wood. It features a durable construction, a powerful engine, and a sharp chain for efficient cutting.

Product Overview

High-Performance Gasoline Chainsaw

This gasoline-powered chainsaw is designed for efficient wood cutting, suitable for both professional and home use. It features a reliable 2-stroke air-cooled engine that delivers consistent power for demanding tasks. Built with safety and durability in mind, the unit includes essential features like a chain brake and throttle lock to ensure secure operation.

Engine & Performance

Key Performance Metrics

40.2 cc Displacement	1.2 kw Rated Output Power
--------------------------------	-------------------------------------

Engine Type	2-stroke air-cooled
Fuel/Oil Mixing Ratio	1:25

Capacities

Fluid Capacities

Fluid Type	Capacity
Fuel Tank	470ml
Oil Tank	200ml

Cutting Specifications

Chain Details

- Pitch: 3/8"
- Gauge: 0.050"

Max Cutting Diameter	16 in
----------------------	-------

Physical Dimensions

Net Weight	5.5 kg
Packaging Dimensions	42 x 26 x 28.5 cm
