

Gasoline Powered Earth Auger

This earth auger features a small gasoline engine, gearbox, and drilling tools. Different drill bit sizes can be selected to meet the user's needs.

Overview

Professional Grade Earth Auger

This gasoline-powered earth auger is engineered for efficiency and reliability in landscaping and construction tasks. Powered by a robust 52cc engine, it delivers consistent performance for drilling holes for fence posts, tree planting, and soil sampling. The ergonomic design and sturdy frame ensure comfortable operation and durability even in demanding field conditions.

Engine Performance

Max Power

1.7 kW

Max Power

Speed & Drive

Metric	Value
Idling Speed	3200 ± 200 rpm
Max Speed	9200 ± 200 rpm
Drive Ratio	31.5:1

Engine Model	JF1E44F
Displacement	52 cc

Operation & Fuel

Fuel Specifications

- Fuel Tank Volume: 1.2 L
- Oil Ratio: 25:1

Start Type

Recoil Manual Start

Physical Dimensions

Drill Bit Specifications	Diameter: 150mm, Length: 800mm, Length: 1000mm
Net Weight	15.8 kg
Packing Dimensions	960 x 500 x 530 mm
