

Gasoline Powered Hedge Trimmer

This hedge trimmer is equipped with a high-performance 22.5cc gasoline engine, providing ample power for cutting through thick branches. The ergonomic handle and lightweight design ensure comfortable operation, even during extended use.

Product Overview

Professional Hedge Trimmer

This 22.5cc gasoline-powered hedge trimmer is engineered for efficient maintenance of hedges and shrubs. Featuring a high-performance engine, it delivers the necessary power to cut through dense foliage and thick branches with precision. Its ergonomic, lightweight design minimizes user fatigue, making it suitable for both professional landscaping and residential garden care.
