

Glass Door Beverage Display Freezer

This beverage display freezer features a glass door, allowing easy viewing of the contents. It is designed with multiple shelves to maximize storage space and maintain optimal cooling temperatures.

Overview

Compact Beverage Display Solution

This glass door beverage display freezer is designed for efficient cooling and attractive product presentation. Featuring a reliable compressor cooling system and adjustable temperature controls, it ensures beverages are kept at the perfect temperature between 0 and 10°C. Its compact footprint makes it an ideal choice for commercial or residential spaces where space is at a premium.
