

Glass Top Dining Table with Chrome Legs and Acrylic Accent

This dining table features a clear glass top and chrome cylindrical legs with white accents. A curved, semi-transparent blue acrylic element is included, accompanied by two white chairs with chrome frames.

Product Overview

Modern Contemporary Design

This elegant dining table features a clear rectangular glass top supported by polished chrome cylindrical legs. The design incorporates a unique curved, semi-transparent blue acrylic accent positioned beneath the tabletop for a sophisticated, modern aesthetic. Ideal for contemporary dining spaces, this set provides a sleek look that combines durability with refined style.
