

Glitter Lava Effect Night Light

This decorative night light features a glitter-filled chamber that creates a mesmerizing lava lamp effect. Designed for indoor use, it plugs directly into a standard electrical outlet.

Product Overview

Mesmerizing Ambient Lighting

This Glitter Lava Effect Night Light combines classic retro aesthetics with modern convenience. Designed for indoor environments, it utilizes a glitter-filled chamber to create a calming, dynamic lava lamp effect that provides soft, ambient illumination. Its compact, direct-plug construction ensures it fits seamlessly into any standard electrical outlet without obstructing adjacent sockets.
