

Gold-Tone Table Lamp with Black Shade

This table lamp features a polished gold-tone metallic body and a black marble base. The lamp is designed with a black cylindrical lampshade to provide ambient lighting and enhance interior decor.

Product Overview

Sophisticated Ambient Lighting

This elegant gold-tone table lamp combines contemporary metallic finishes with the timeless appeal of natural marble. Standing 25 inches tall, it provides a refined accent for professional office spaces, hotel suites, or upscale interior environments. The modular design allows for the base and shade to be purchased separately, offering versatility for bespoke interior projects.
