

Gooseneck Electric Kettle with Wood-Look Accents

This electric kettle features a gooseneck spout, allowing for precise pouring. It has a matte black finish with wood-look accents on the handle and lid knob.

Product Overview

Elegant Gooseneck Electric Kettle

This electric kettle combines a vintage-inspired aesthetic with modern functionality, featuring a unique gooseneck spout designed for precise and smooth water flow. Crafted with a 1.5L SUS304 food-grade stainless steel body, it ensures safety and durability for daily use. With its matte finish and wood-look accents, this kettle offers a sophisticated design that enhances any kitchen or office environment.
