

Gray Wood Panel Swim Spa with Integrated Controls

This swim spa features a gray wood panel exterior and a light interior. It includes integrated controls and a filtration system for both relaxation and fitness.

Overview

Premium Swim Spa Experience

This swim spa combines the aesthetic appeal of a gray wood panel exterior with a clean, light-colored interior, designed to complement any outdoor or indoor wellness space. Engineered for versatility, it serves dual purposes as a relaxing hot tub and a dedicated space for aquatic fitness and swimming. The unit comes fully equipped with integrated controls and a high-efficiency filtration system to ensure optimal water quality and ease of use.
