

Green Silicone Slap-On Watch with Analog Display

This watch features a green silicone band that easily wraps around the wrist. It has a classic analog display with a white face, black numerals, and silver-tone bezel.

Product Overview

Vibrant and Comfortable Design

This green slap-on watch combines a playful design with functional analog timekeeping. Featuring a flexible silicone band that wraps securely around the wrist, it offers both comfort and ease of use. The classic analog face ensures clear readability, making it an excellent accessory for various casual or promotional environments.
