Product Overview

High-Performance Turbocharger Cartridge

The GTX3076 Turbocharger Cartridge is a precision-engineered component designed for optimal airflow, boost response, and power delivery. Built with advanced aerodynamics and high-quality materials, this cartridge is capable of withstanding extreme temperatures and rotational speeds. It is dynamically balanced to ensure smooth operation and extended service life, making it an ideal choice for turbocharger upgrades or rebuilds.

Technical Specifications

STT Part Number	G3010012
OE Part Number	836014-3
Model Series	GTX3076

Application

Primary Application

High Performance • Turbocharger Upgrade • Turbocharger Rebuild
