

Guillotine Paper Cutting Knife

These paper cutting knives are designed for industrial guillotine cutters. The knives are manufactured from high-quality tool steel and precision-ground for clean cuts on a variety of paper stocks.

Product Overview

Industrial Guillotine Paper Cutting Knives

These precision-engineered paper cutting knives are designed for industrial guillotine cutters used in printing, packaging, and paper converting industries. Manufactured from high-quality tool steel, each blade is hardened and tempered to ensure optimal durability and superior edge retention. The knives feature precision-ground cutting edges to deliver clean, accurate cuts across a wide variety of paper stocks.
