

# GV300S Bobber Style Cruiser Motorcycle

This bobber style city cruiser motorcycle features a liquid-cooled SOHC 60°V-twin engine. It has a vintage headlight, retro taillamp and LCD & Mechanical speedometer.

## Overview

A classic bobber silhouette designed for urban agility and style.

Distinctive bobber-style fuel tank design.

### Bobber Style City Cruiser

This bobber-style cruiser motorcycle combines a classic vintage aesthetic with modern performance engineering. Designed for urban riding and weekend cruising, it features a low-slung profile, a powerful liquid-cooled V-twin engine, and a minimalist design that emphasizes agility and style. With a comfortable riding position and reliable handling, it offers a compelling blend of retro charm and contemporary functionality.
