

Halogen Space Heater with Multiple Power Settings

This halogen heater provides three heating options: 400W, 800W, and 1200W. It is designed with a repeating rolling function and an alveolate net-board for enhanced safety and lifespan.

Overview

Efficient Halogen Heating

This halogen space heater offers instant and efficient warmth with three adjustable power settings to suit your comfort needs. Designed with a sleek, streamline aesthetic, it features an oscillating function for even heat distribution across any room. Built with user safety and convenience in mind, it includes automatic tip-over protection and a remote control for easy operation.
