

Handcrafted Cut Glass Sake Cup Set with Wooden Box

This handcrafted set features delicate cut glass sake cups and matching coasters. The set is presented in a wooden box with Japanese calligraphy.

Product Overview

Artisanal Craftsmanship

This exquisite sake cup set features handcrafted cut glass designs, showcasing intricate starburst and geometric patterns that catch the light beautifully. The collection includes a diverse assortment of shapes, comprising two taller cylindrical cups and two smaller rounded cups, perfect for a varied tasting experience. Presented in a premium wooden box lined with elegant white satin, this set is ideal for gifting or sophisticated entertaining.
