

Handheld Board Saw

This board saw features a sharp, toothed blade for cutting through various materials. The ergonomic handle is designed for a comfortable and secure grip, facilitating precise and efficient cutting.

Product Overview

Professional Handheld Board Saw

This handheld board saw is engineered for precision and efficiency in various woodworking and cutting tasks. Featuring a sharp, durable metal blade and an ergonomic yellow handle, it ensures a secure grip for controlled operation. Its compact and potentially foldable design makes it an ideal, portable solution for both DIY enthusiasts and professional woodworking projects.

Design & Ergonomics

Handle Color	Yellow
Grip Design	Ergonomic
