

Handheld Fabric Steamer

This handheld garment steamer efficiently removes wrinkles from clothing and fabrics. The compact design is ideal for both home use and travel.

Product Overview

Efficient Wrinkle Removal

The SWS-198 Handheld Fabric Steamer is a professional-grade tool designed for efficient wrinkle removal on a variety of fabrics. Featuring a compact and ergonomic design, it is perfectly suited for both home use and travel applications. Users can monitor water levels easily through the transparent reservoir, while the rapid heating element ensures continuous steam output for a polished look.
