

Handheld Garment Steamer with 80ml Tank

This handheld garment steamer features a stainless steel steam brush and a soft rubber knob design. It has an 80ml tank capacity, multiple steam settings, and provides continuous steam for up to 10 minutes.

Product Overview

Efficient Wrinkle Removal

This handheld garment steamer is designed for quick and efficient wrinkle removal on various fabrics. Featuring a compact and portable design, it includes an 80ml water tank and a continuous automatic water pump to eliminate the need for frequent manual pumping. With safety features like overheat protection and a user-friendly soft rubber knob, it is an ideal solution for travel or home use.
