

Handheld Hair Dryer with Chrome Nozzle

This is a handheld hair dryer designed for personal use. It features a chrome-finished nozzle, a yellow body, and a switch for controlling settings.

Product Overview

Professional Styling Performance

This handheld hair dryer is designed for efficient drying and styling, featuring a durable construction with a distinct chrome-finished nozzle and head. Its ergonomic design includes an integrated handle switch for easy control, making it suitable for both personal use and professional salon environments. The unit is built with a standard power cord for reliable operation and consistent performance.
