## Product Overview

### Professional Heated Towel Drying Rack

This premium ladder-style towel warmer is engineered for efficiency and durability in modern bathroom environments. Constructed from high-quality mild steel, it supports both central hydronic and electric heating systems to provide consistent warmth and comfort. Compliant with EN442 standards, this unit features a patented welding process that ensures superior structural integrity and reliable sealing.

## Technical Specifications

<b>Material</b>	Mild Steel (SPCC / Q195)
<b>Finishing Options</b>	Chrome Plating (Cr 3+/6+), Powder Coating (Customized Colors)
<b>Heating Compatibility</b>	Central Hydronic, Electric Heating

## Certifications & Quality

### Certifications

EN442 • ISO 9000 • ISO 14001 • SA8000
