

Heavy-Duty Bolt Cutter

This heavy-duty bolt cutter is designed for cutting bolts, rods, and other metal materials. It features hardened steel jaws for durability and precise cutting.

Product Overview

Professional Heavy-Duty Bolt Cutter

This heavy-duty bolt cutter is engineered for demanding cutting tasks involving bolts, rods, and various metal materials. Utilizing a compound lever action mechanism, it delivers significant cutting power while minimizing user effort. Designed with ergonomic handles to reduce hand fatigue, this tool is an essential addition for construction, industrial, and DIY environments.

Performance & Features

Mechanism	Compound lever action
Jaw Material	Hardened steel
Ideal Applications	Construction, Industrial, DIY

Ergonomics

Handle Design	Ergonomic grip for reduced fatigue
