Product Overview

Heavy-Duty Industrial Cleaning Solution

This high-performance pressure washer is engineered for demanding industrial and commercial cleaning tasks. Featuring a robust 13HP engine with easy-start functionality, it delivers consistent power for deep cleaning. The integrated vacuum system and 20-inch cleaner attachment ensure efficient debris removal, while the durable wheeled frame provides necessary mobility on job sites.

Performance Metrics

Engine Power

13 HP

Horsepower

9.4 KW

Power Output

Operating Pressure 4000 PSI

Water Flow Rate 15 L/min

Technical Specifications

Key Features Vacuum Integrated, Easy Start, Hose Reel, Wheeled Frame

Cleaner Attachment Size 20 inch

Vacuum Capacity 60 L

Maintenance

Required Fluids

- Engine Oil
- Pump Oil
