

Heavy-Duty Pneumatic Tire Hand Truck

This hand truck is designed for moving heavy and bulky items with ease. It has a load capacity of 200kg and features pneumatic tires for smooth rolling.

Product Overview

Heavy-Duty Pneumatic Tire Hand Truck

This heavy-duty hand truck is engineered for the efficient transport of bulky and heavy items in demanding environments. Featuring a unique 'P' handle design, it allows the unit to be laid horizontally, significantly simplifying the loading and unloading process. With its robust construction and specialized pneumatic wheels, it provides a smooth and reliable transport solution for warehouses, delivery services, and general material handling.

Performance Specifications

Load Capacity

100 kg

Max Load

Design & Mobility

Tire Type

Pneumatic

Wheel Diameter
