

Heavy-Duty Steel Hand Trolley

This heavy-duty hand trolley is designed for transporting long or bulky items. It features a sturdy steel frame and pneumatic tires for smooth maneuverability.

Overview

Heavy-Duty Industrial Transport

This heavy-duty hand trolley is engineered for the reliable transport of long and bulky items in demanding environments. Built with a robust steel frame and a protective powder-coated finish, it offers excellent resistance to rust and corrosion for long-lasting performance. Designed for ease of use, it features comfortable handle grips to reduce fatigue and pneumatic tires that ensure smooth maneuverability across various surfaces.

Construction & Design

Frame Material	Steel
Surface Finish	Powder-coated
Key Features	Heavy-duty, Corrosion Resistant, Ergonomic Grip

Performance

Ideal Applications

- Warehouses
- Factories
- Industrial Environments

Wheel Type	Pneumatic
