Product Overview

Professional Grade Material Handling

This heavy-duty steel wheelbarrow is engineered for demanding tasks in construction, landscaping, and gardening. It features a robust steel frame and a seamless tray designed to withstand significant weight, ensuring durability in professional environments. Equipped with a pneumatic tire, it provides smooth maneuverability even on uneven or rough terrain, reducing operator strain.

Capacity and Performance

Performance Highlights

120 kg

Load Capacity

60 L

Water Capacity

5 CBF

Sand Capacity

Physical Dimensions

Size Specifications

Component	Dimensions (mm)
Overall (L/H/C)	1325 x 600 x 480
Tray (A/B/H)	775 x 498 x 280

Construction

Weight and Build	12.8 kg
Wheel Specifications	13 x 3 Pneumatic Tire
