

# Heavy-Duty Wheelbarrow Cart

This heavy-duty wheelbarrow is suitable for garden, construction, and general utility work. It has a durable metal frame and large tub for hauling materials, plus a pneumatic tire for smooth movement.

## Product Overview

### Robust Utility for Construction and Gardening

This versatile wheelbarrow model (MB204, WB6400) is engineered for demanding tasks in both professional construction sites and residential gardens. With a capacity of up to 120kg and a 85L volume, it provides the durability required for heavy material transport. Its ergonomic design and multiple wheel options ensure reliable performance across various terrains.
