

# Heavy-Duty Wheelbarrow with Pneumatic Tire

This heavy-duty wheelbarrow features a robust steel frame and a durable green plastic tub. Equipped with a pneumatic tire and grip handles, it facilitates efficient material transport in construction, gardening, and landscaping.

## Product Overview

### Heavy-Duty Utility Solution

This heavy-duty wheelbarrow is engineered for demanding material transport tasks in construction, gardening, and landscaping environments. Featuring a robust steel frame paired with a durable green plastic tub, it offers the perfect balance of strength and longevity. The inclusion of a pneumatic tire ensures smooth maneuverability across uneven terrain, while the ergonomic handles provide a comfortable grip for all-day use.

## Design and Construction

### Tub Color

Green

### Frame Material

Robust Steel

### Tub Material

Durable Plastic

## Performance

### Key Features

- Heavy-duty construction
- Smooth maneuverability
- Comfortable grip handles

### Wheel Type

Pneumatic Tire

### Primary Applications

Construction, Gardening, Landscaping
