Overview

Comprehensive Air Quality Solution

This advanced air purifier combines multi-stage HEPA filtration with an integrated humidifier to create a healthier indoor environment. Designed for versatility, it effectively removes allergens, pollutants, and odors while maintaining optimal humidity levels. With smart WiFi connectivity and a sleek, modern design, it is an ideal solution for homes and offices requiring intelligent air management.

Performance

Key Performance Metrics

550 m³/h

Clean Air Delivery Rate (CADR)

34 m²

Application Area

20 million/cm³

Negative Ion Output

Noise Level

34.4 dB

Filtration System

Filtration Stages

- Washable Aluminum Filter
- Cold Catalyst Filter
- Antibacterial Filter
- Honeycomb Activated Carbon Filter
- High Efficiency HEPA Filter

Sterilization Features

365nm UV Light, Negative Ionizer

Technical Specifications

Power Supply	220V/50Hz
Power Consumption	85 W
Dimensions	400 x 230 x 620 mm
Gross Weight	15.5 KG
Chassis Material	ABS / Acrylic

Features

Smart & Control Features

WiFi Enabled • Touch Screen • Remote Control • PM2.5 Display • Child Lock • Filter Replacement Reminder

Compliance

Certified quality and safety standards including CE, CB, and ISO 9001.

Certifications	CE, CB, ERP, ISO 9001
