

High-Capacity Paper Shredder

This high-capacity paper shredder is designed for office or home use. Features include a secure shredding mechanism, auto start/stop functionality, and a waste bin for easy disposal of shredded materials.

Product Overview

Professional High-Capacity Shredder

This high-capacity paper shredder is engineered for efficient document security in both office and home environments. It features an advanced cross-cut mechanism that renders paper documents, credit cards, and optical media unreadable. Equipped with user-friendly automation, it includes auto start/stop functionality and a convenient integrated waste bin for streamlined disposal.
