Product Overview

C35 Series LCD Television

The C35 series LCD television offers a versatile range of display options, from compact 24-inch models to expansive 75-inch screens. Designed with a super-slim profile and an OD35mm depth, this series integrates seamlessly into any environment while providing high-definition to ultra-high-definition visual clarity. It supports both ATV and DTV systems, with optional Smart TV capabilities and tempered glass protection for enhanced durability.
