

High-Gloss Black Front Grilles for BMW E36 (1991-1997)

These high-gloss black front grilles are direct replacements for BMW E36 models made from 1991-1997. They are made from durable ABS plastic and offer an easy installation process to enhance the vehicle's appearance.

Product Overview

Upgrade Your Vehicle Aesthetic

These high-gloss black front grilles are designed as a direct replacement for original parts, offering a sleek and updated look for your vehicle. Constructed from durable ABS plastic, they provide long-lasting performance and excellent resistance to the elements. The set includes both standard black slats and motorsport-inspired slats with blue and red accents, ensuring a custom appearance that is easy to install.
