

High-Leverage Bolt Cutter

This bolt cutter features hardened steel blades and a high-leverage design. Ergonomic handles ensure a comfortable and efficient cutting experience.

Product Overview

High-Leverage Bolt Cutter DP0101B

The DP0101B high-leverage bolt cutter is engineered for demanding cutting tasks, featuring hardened steel blades designed to shear through bolts, rods, and other tough industrial materials. Its ergonomic handle design ensures a comfortable grip, allowing for efficient force application and reduced user fatigue during repetitive operations. Built for durability, this tool is an essential asset for construction, maintenance, and heavy-duty DIY applications.

Model Number

DP0101B
