Product Overview

High-Performance Alkaline Power

This high-performance alkaline battery is engineered to deliver reliable and long-lasting power for a wide range of everyday electronic devices. Featuring a robust, leak-resistant construction, it ensures optimal safety and performance during operation. It is an ideal energy solution for household electronics such as remote controls, toys, and portable flashlights.

Technical Specifications

Voltage Output

1.5 V

Output Voltage

Battery Size

AA

Industry Standards

LR6, AM-3

Packaging & Logistics

Packaging Options

- 2pcs per blister card
- 4pcs per blister card

Features

Key Features

Leak-Resistant Design • Longer Lasting • Extended Shelf Life • Premium Ultra Quality

Compatibility

Recommended Applications

- Remote controls
- Toys
- Flashlights
- Portable electronics
