

High-Performance Chain Saw

This chain saw is designed for demanding cutting tasks. It features a robust engine, durable cutting chain, and ergonomic design for comfortable operation.

Product Overview

High-Performance Chain Saw

This high-performance chain saw is engineered for demanding cutting tasks in professional environments. Designed with a robust engine and a durable cutting chain, it ensures reliable performance for forestry, landscaping, and construction projects. Its ergonomic construction prioritizes operator comfort, making it an ideal choice for extended use.

Technical Specifications

Engine Displacement	370 cc
---------------------	--------

Features

Key Design Features

- Robust engine performance
- Durable cutting chain
- Ergonomic handle design

Suitable Applications	Forestry, Landscaping, Construction
