

High Pressure Power Washer

This high-pressure power washer is a robust and efficient cleaning solution suitable for industrial and domestic applications. It delivers a high-pressure water stream for effective removal of dirt, grime, and other stubborn residues.

Overview

High-Pressure Cleaning Solution

This high-pressure cleaner is a robust and efficient solution designed for various industrial and domestic cleaning applications. It features a powerful motor that delivers a high-pressure water stream, perfect for the effective removal of dirt, grime, and stubborn residues. With adjustable nozzles for spray control and built-in safety features like overload protection and automatic shut-off, this unit ensures both performance and user safety for tasks ranging from vehicle washing to patio maintenance.

Performance

Key Performance Metrics

1500 W

Max Power

6 L/min

Max Flow Rate

105 bar

Max Pressure

Technical Details

Technical Specifications

Feature	Specification
Motor Type	Series-excited motor
Pressure Range	55 - 105 bar
Voltage	100-127V / 220-240V
Frequency	50/60 Hz
Weight	5.5 - 6.5 kg

Packing Dimensions

45.5 cm x 26.0 cm x 26.5 cm
