

High-Pressure Triplex Plunger Pump

This high-pressure triplex plunger pump is designed for demanding industrial applications. It delivers consistent flow and pressure for various pumping tasks.

Product Overview

High-Pressure Triplex Plunger Pump

The 3WZ-90W is a robust high-pressure triplex plunger pump engineered for demanding industrial tasks. Designed to deliver consistent flow and pressure, this pump is highly versatile for applications ranging from high-pressure spraying to irrigation. Its durable construction ensures reliability and a long service life even in challenging operating environments.

Technical Specifications

Operational Performance

500 RPM

Min RPM (Spray)

1000 RPM

Max RPM (Irrigation)

7 HP

Max Required Power

Dimensions and Weight

Attribute	Specification
Weight	31 KG
Carton Size	50x34.5x50 cm

Model Number	3WZ-90W
Pump Design	3 Pistons, 33.5mm Diameter, 35mm Stroke
