

High-Speed 4K HDMI Cable

This high-speed HDMI cable is designed for transmitting high-resolution video and audio signals. It supports 4K resolution at 60Hz with 18Gbps bandwidth, ensuring smooth and clear visuals.

Overview

High-Performance 4K Connectivity

This high-speed HDMI cable is engineered for demanding professional and home entertainment environments. Supporting 4K resolution at 60Hz and an 18Gbps bandwidth, it ensures smooth, crystal-clear video transmission. With advanced features like HDR10, RGB 4:4:4 color sampling, and HDCP 2.2 compatibility, this cable provides reliable, high-fidelity signal integrity for modern displays and media sources.
