

High-Speed 8K HDMI Cable

This high-speed HDMI cable supports 3D video and 8K resolution at 60Hz with a 48Gbps bandwidth, and also supports 4K resolution at 120Hz. It is available in lengths of 0.5M, 1.0M, 1.5M, and 2M.

Overview

High-Performance Connectivity

This High-Speed HDMI cable is engineered to meet the demands of modern audio-video setups, supporting advanced standards including 8K resolution at 60Hz and 4K at 120Hz. With a robust 48Gbps bandwidth, it ensures seamless data transmission for high-fidelity gaming and cinema experiences. Its durable construction, featuring 30AWG wiring and a 6.30mm outer diameter, provides reliable signal integrity for professional and home entertainment applications.
