

High-Speed Steel Hole Saw Set

High-speed steel (HSS) hole saws are designed for cutting clean, accurate holes in a variety of materials, including wood, metal, plastic, and composites. These hole saws feature a durable construction with hardened cutting edges for extended life and efficient material removal.

Product Overview

High-Speed Steel Hole Saw Set

This high-speed steel (HSS) hole saw set is engineered for cutting clean, accurate holes across a versatile range of materials including wood, metal, plastic, and composites. Featuring durable construction with hardened cutting edges, these tools are built for extended operational life and efficient material removal. Each saw includes a pilot drill to ensure precise centering and stability, making this an ideal solution for professionals in electrical, plumbing, and HVAC industries.

Technical Specifications

Recommended Industries

Electrical • Plumbing • HVAC

Material

High-Speed Steel (HSS)

Suitable Materials

Wood, Metal, Plastic, Composites

Included Sizes

Available Hole Saw Sizes

Model ID	Tool Type
1304	HSS Hole Saw
1305	HSS Hole Saw
1306	HSS Hole Saw
1307	HSS Hole Saw
1308	HSS Hole Saw
1309	HSS Hole Saw
1311	HSS Hole Saw
1312	HSS Hole Saw
1313	HSS Hole Saw
HSS19	HSS Hole Saw
